## **Visit the Resource Center**

The resource center is located on the 4th floor of Trinity's Everett campus center and serves as both a college classroom and a meeting space for visitors and guests (with advance scheduling). Individuals and groups are welcome to visit the CYFC to use the resources for program planning or continued education. Materials can be checked out for personal or congregational use. As the center's availability changes with each academic term, please call to check availability or to schedule a meeting. We look forward to welcoming you.

## **Policies for Off-Campus Users**

Checkout and return policies are posted in the resource center. As a courtesy to our off-campus users, we allow longer check-out periods for all resources. Please include your telephone number on the index cards (for books and resources) or check out sheet (for periodicals or curriculum). Materials can be returned in person or via US Mail (book rate).
